

## The Freed-Up Financial Living Course

*Freed-Up Financial Living* is an outstanding tool, designed to help individuals at every stage of their lives effectively deal with day-to-day issues related to finances. Even more, it's about finding the peace, joy, and freedom that come through following biblical financial principles. Presented in an encouraging, grace-filled manner, *Freed-Up's* goal is heart change and a more God-centered perspective on your resources, not just a change in financial behavior.

In the *Freed-Up* course, you'll discover effective tools and develop skills that will help you control your finances—so your finances don't wind up controlling you! After completing the course, you'll walk away with:

- A clear understanding of biblical financial principles
- Simple steps to apply those principles in day-to-day decision making
- A personalized spending plan in your hand, knowledge in your head to implement it, and the motivation in your heart to follow through

When dealing with financial matters, most of us have a natural tendency to push away from the table and avoid engaging the issues. This is true for those who are in the midst of significant financial challenges, as well as those who are financially secure. Wherever you are, *Freed-Up Financial Living* offers you a clear, biblical understanding of money management that can bring about peace and joy in this critical area.

*Freed-Up Financial Living* is an opportunity for people from all sorts of financial contexts to come together, find hope and encouragement for the unique challenges that they face, and develop into more biblically-rooted, confident stewards of their resources.

Are you experiencing a time of significant financial challenge or crisis? Are you interested in taking back control of your spending? Do you want a firm biblical understanding of financial management that can help you catalyze your resources in a God-honoring fashion?
